

USMRA Secretary Report Aug 2013

The BOD has approved several new policies ranging from financial/bureaucratic to new criteria for entry onto USA's International Teams. We are exploring ways to organize and present the changes/policies to the membership in the most user friendly way. The same for processing memberships, club, trial, & scorebook apps. Over 80% of payments are now done through pay pal and the few checks that come in are now being quickly and easily mobile deposited via cell phone with funds being available from as quick as instantly to a few days.
