- Discussion/approval to fill the vacant positions at Level 3 on the USMRA World Team.

There was extensive discussion regarding filling the vacant positions at Level 3 on the USMRA World Team. There were two members that submitted interest in attending in response to the USMRA Facebook page notification on August 2, 2017 that there were open positions that needed to be filled. The request for interested members closed on August 6, 2017. Otis James Knighten submitted August 2, 2017 and Jourdan Murphy re-submitted interest in attending, after forfeiting her original spot due to financial reasons, on August 5, 2017. Discussion ensued about the importance of the recently voted on Process for World Championship Team members that do not meet the stated World Championship Criteria in the event there are vacant positions for the World Championship Team. There was also discussion that there was nothing in writing preventing a member who had previously forfeited a position from reapplying for any additional open positions.

It was moved by Todd, second by Gail to approve filling the vacant Level 3 position with Jourdan Murphy and filling the alternate spot with OJ Knighten. Votes: Yes: Todd, Gail, David, Karen, Michon; No: None; Abstain: Allison
