

Requirements To Enter A USMRA Trial

Dated: 1/19/2021

Steps prior to entering a trial:

1. Must be a USMRA member. Join here: <https://www.usmondioring.org/join-usmra/>
2. Purchase scorebook: <http://form.jotform.us/form/51535464106148> Dogs must have microchip or tattoo identification number. **Allow 1 month for processing and delivery through USPS.**
3. Complete one of the accepted sociability tests: [USMRA Sociability test](#), CSAU, BH, or AKC CGC
4. Ensure rabies vaccination is up to date as of trial date.
5. Get a dog ID card so you do not need to bring proof of rabies and sociability test on trial day. Scorebook info, rabies certification, and sociability test required for ID card. <https://form.jotform.com/62934622339965> **Allow 1 month for processing and delivery.**
6. Register for the trial online and pay your entry fee:
<https://www.usmondioring.org/trials/>
7. On day of trial, dog must be healthy and fit to trial at the judge's discretion (eg., no lameness, bandages, coughing, lactating or recently lactating bitches). Male dogs must have both testicals distended. Neutered males will be allowed with a letter from the dog's vet that certifies removal of testicals was medically necessary.
